

## **Appendix A**

### **The Chesapeake Bay 1992 and 1996 (Revised) Toxics of Concern (TOC) and Chemicals of Potential Concern (COPC) Lists**

Toxics of Concern List (TOC)		Chemicals of Potential Concern (COPC)		Chemicals Listed on 1990 Lists but Not on Revisions	
1990 List	1996 Revision (Not yet approved)	1990 List	1996 Revision (Not yet approved)	On 1990 TOC List	On 1990 COPC List
		Alachlor Aldrin Arsenic	Arsenic	Atrazine	Alachlor Aldrin
Atrazine			<b>Other PAHs (1)</b>		
Benz(a)anthracene					
Benzo(a)pyrene					
Cadmium					
Chlordane	Chlordane				
Chromium					
Chrysene					
Copper	Copper				
		Dieldrin	Dieldrin		
		Fenvalerate			Diflubenzuron (3) Fenvalerate
Fluoranthene	Fluoranthene				
Lead	Lead				
Mercury			Mercury		
		Metolachlor			Metolachlor
Naphthalene	Naphthalene		<b>Nickel</b>		
		Permethrin			Permethrin
	<b>Phenanthrene</b>		<b>Other PCBs (2)</b>		
PCBs	Arochlor 1260				
Tributyltin (TBT)	Tributyltin (TBT)				
		Toxaphene			Toxaphene
		Zinc	Zinc		

**Bold text indicates new additions to the lists.**

(1) Other PAHs include: benz(a)anthracene, benzo(a)pyrene, and chrysene, which were on the previous TOC List, and acenaphthene, benzo(b)fluoranthene, benzo(g,h,i)perylene, benzo(e)pyrene, dibenzo(a,h)anthracene, fluorene, ideno(1,2,3,cd)pyrene, 2-methyl naphthalene and pyrene.

(2) Other PCBs include: PCB congeners 126 and 169, PCB Arochlors 1016, 1232, 1242, 1248, 1254, pentachlorobiphenyls, tetrachlorobiphenyls and polychlorinated biphenyl.

(3) Diflubenzuron was removed from the COPC List in 1992 with the approval of the Toxics Subcommittee.
